RE: Security Guard Contract C98-12604

This is to request that the annual authorized expenditure for the above referenced contract with Borg Warner be increased to \$870,400. This was originally bid in 1998 at which time the estimated expenditure was \$545,000. The parking ramp in the Central Lutheran Church block was since completed for which the Convention Center agreed to provide services. The facility expansion is now complete and requires greater security service.

Funds were approved and are available in our 2002 Convention Center Operations Fund 0760-MCC.
